

## SLAVE PALLET SPW948 10 ft. NEL

The slave pallet SPW948 is a flexible transport unit consisting of a frame with non-driven conveyor rollers with a fully closed walkway which makes transport possible in 2 directions. Combined with a slave master or heavy duty fork-lift truck, the SPW948 can be used to transport, to store and to build up or break down ULD's. Because of its flexible character, slave pallets are very suitable to expand existing systems temporarily.
