

## SLAVE PALLET SPW950 10 ft. WEL

The slave pallet SPW950 is a flexible transport unit consisting of a frame with non-driven conveyor rollers which makes transport possible in 2 directions. Combined with a slave master SLM960, slave pallets can be used to transport, to store and to build up or break down ULD's. Because of its flexible character, slave pallets are very suitable to expand existing systems temporarily.
