

SLAVE PALLET SPW951 10 ft. NEL MINI DONKEY

The slave pallet SPW951 is a flexible transport unit consisting of an open frame with non-driven conveyor rollers which makes transport possible in 2 directions. Especially suited for the Mini Donkey SLM962, these slave pallets can be used to transport, to store and to build up or break down ULD's. Because of its flexible character, slave pallets are very suitable to expand existing systems temporarily.
