

SLAVE PALLET SPW953 10 ft. CASTOR

The slave pallet SPW953 is a flexible transport unit consisting of a frame provided with castor wheels which makes a multidirectional transport possible. Combined with a slave master SLM960, slave pallets can be used to transport, to store and to build up or break down ULD's. Because of its flexible character, slave pallets are very suitable to expand existing systems temporarily.

Dimensions l x w	: 2620 x 3320 mm
