

# ULD Handling Equipment

## SP-08 SLAVE PALLET 10FT. NEL

The slave pallet SP-08 is a flexible transport unit consisting of a galvanised frame with non-driven conveyor rollers which makes transport possible in 2 directions. Combined with a ULD Mover or Mini Donkey can be used to transport, to store and to build up or break down ULD's. Because of its flexible character, slave pallets are very suitable to expand existing systems temporarily.
